Goal 3: Need Addressed 3

Goal 3, Objective 1: Title Education

Goal 3, Objective 1, Target Completion Date Sep 30, 2024

Goal 3, Objective 1, Description Develop trainings with content experts from our community that are willing and able to provide community-based trainings acknowledging that while our systems are siloed at times, people are not, and therefore understanding how to best work with individuals requires an ability to recognize their unique needs while utilizing self-awareness into our implicit biases.

Goal 4

Goal 4: Title Transportation

Goal 4: Target Completion Date Dec 31, 2024

Goal 4: Description Since the state took over the medical transportation system, the system has dramatically become unavailable. This is further complicated by a significant number of the people we serve lacking transportation for non-medical needs such as trips to the grocery store, pharmacy, and LDSS. While public transportation is available, it often involves a multi-hour wait for what is often a 30 minute or less process.
