2026 Update to 2024-2027 Goals and Objectives Genesee County Mental Health Services

Lynda Battaglia, DCS
(Lynda.battaglia@geneseeny.gov)

Goal 1

Goal 1, 2026 Status Update: Ongoing

Goal 1, 2026 Status Update Description: U Connect proposed to OASAS, and it was accepted with support from the LGU, for the program to move 6 Detox beds and convert these to swing beds, for stabilizations, for high utilization. This allows the program to use beds in both capacities.

Goal 1 Objective 1, 2026 Status Update: Ongoing

Goal 1 Objective 1, 2026 Status Update Description: There is a rolling RFA for the LGU Opioid Abatement funds with housing having a specific amount of funding dedicated to it. This will continue to be available until funding has run out.

Goal 2

Goal 2, 2026 Status Update: Ongoing

Goal 2, 2026 Status Update Description: Research was conducted on possibilities for redesign and implementation See Goal 2 for further information.

Goal 2 Objective 1, 2026 Status Update: Ongoing

Goal 2 Objective 1, 2026 Status Update Description: The LGU secured training of a 911 Diversion Program via the NYS OMH and Institute for Police, Mental Health & Community Collaboration. All 911 dispatchers were trained in May 2025 on utilization of a triage tool to assess risk and redirecting calls to local 988 via warm hand off. This is expected to go live the first week of July, 2025. The goal of this program is decrease the response of Law Enforcement and increase the use of our local 988 call center. Matching the appropriate response to the needs of the caller. Data will be collected to assess the effective of this program and the impact it has on the 911 system and our local 988 call center.

Goal 2 Objective 2, 2026 Status Update: Ongoing

Goal 2 Objective 2, 2026 Status Update Description: Conversation continue with the Sheriff's Department and local LE agencies to schedule another CIT Training for the county.

Goal 2 Objective 3, 2026 Status Update: N/A

Goal 2 Objective 3, 2026 Status Update Description:

Goal 2 Objective 4, 2026 Status Update: Ongoing

Goal 2 Objective 4, 2026 Status Update Description: ED for NYS START CISDD has confirmed interest in attending the I/DD subcommittee meeting. This will inform providers about their services specifically relating to individuals in crisis that have an I/DD diagnosis.

Goal 3

Goal 3, 2026 Status Update: Ongoing

Goal 3, 2026 Status Update Description: The Systems of Care for youth meets regularly to identify gaps in services for high risk youth & to trouble shoot with families and providers in order to get youth into services. Currently, our youth services, which include in home services, has been removed from our provider due to the program's inability to sustain it. The LGU is working with the NYS OMH WNYFO to keep communication lines open. A new provider has been welcomed into the community, Our Lady of Victory (OLV), and will be providing outpatient services for youth and families, and providing evaluation and treatment for individuals with Autism. Additionally, there is a potential for this provider to look into expanding services to include HBCS.

Goal 3 Objective 1, 2026 Status Update: Ongoing

Goal 3 Objective 1, 2026 Status Update Description: Internal discussion have taken place regarding viable and sustainable options for children's mobile crisis, however, options at this time are limited or non existent.

Goal 4

Goal 4, 2026 Status Update: Ongoing

Goal 4, 2026 Status Update Description: The GOW CARES Alliance has been collaborating with the GOW counties to enhance to cross collaboration between the Mental Hygiene System and the providers within the community. It is an ongoing effort to collaborate with providers working within the system. GOW CARES has placed a resource hub for families

in the Rochester Regional Emergency Dept. This family corner includes NAMI Navigating a Mental Health Crisis, 988 information, veterans resources and "take it to the box" information along with resources for Genesee County Mental Health. Additionally, LGU Opioid funding was provided for a research project with the National Opinion Research Center (NORC) in order to conduct listening sessions allowing community members and providers to provide their opinion on Suicide, SUD, Harm Reduction, and Mental Health. The goal of this project is to develop a strategic plan from these listening sessions, to determine how best to tackle stigma in these areas and enhance the cross systems collaborations within the community. A Faith Based Summit will be held Fall 2025 via the Opioid Response Network.

Goal 4 Objective 1, 2026 Status Update: Ongoing

Goal 4 Objective 1, 2026 Status Update Description: CASAC credentialing has been explored.

Goal 4 Objective 2, 2026 Status Update: Ongoing

Goal 4 Objective 2, 2026 Status Update Description: . Many events have taken place in order to secure workforce within the provider community. This includes providers taking on numerous interns throughout the academic year with the hope of creating an intern to employee pipeline. Attending more community/career events within the schools, and ensuring staff receive adequate training and supervision in order to keep them engaged in the profession, has occurred. A Burned Out to Burning Bright conference was held in June 2025. The conference addressed compassion fatigue, trauma, burn out, and helping those in the professional field.

Need description (Optional): Due to being a rural county, transportation is a barrier to access to treatment. The main service provider for the county, GCMH Department, is outside of the city and we are not on the bus line. Additionally, individuals on certain psychiatric medications requiring regular blood draws find it difficult to get to the local hospital for blood draws due to the bus line not stopping there.
