2027 Update to 2024-2027 Goals and Objectives Tioga County Department of Mental Hygiene

Sarah Begeal, Director of Community Services
(begeals@tiogacountyny.gov)

Goal 1

Goal 1, 2027 Status Update: Ongoing

Goal 1, 2027 Status Update Description: It remains a challenge to find qualified candidates for professional positions specifically Peer Support, CASAC, and Licensed Social Workers, in both OASAS and OMH as well as Direct Support Staff for OPWDD. This sentiment is shared across county providers. Tioga County continues to use incentives to retain and recruit workforce.

Goal 1 Objective 1, 2027 Status Update: (Added 2026) Ongoing

Goal 1 Objective 1, 2027 Status Update Description: Tioga County has been designated as a Dental HPSA and Primary Care HPSA based on scoring criteria. Tioga has been unable to receive a designation as MH HPSA (Mental Health Provider Shortage Area) over the past several years. In 2023 we received an update on the HPSA score which was "no change" from previous years and Tioga was reported as not eligible for mental health. Eligibility is based on the number of psychiatrists and county population. Tioga was also not eligible for the STAR LRP (substance use disorder treatment and recovery loan repayment program) under HRSA due to not meeting criteria which is based on overdose death rates and county population. Will reach back out to see if scores have changed.

Goal 1 Objective 2, 2027 Status Update (Added 2026): Ongoing

Goal 1 Objective 2, 2027 Status Update Description: Tioga County subcommittees continue to publish articles promoting awareness on OPWDD/OASAS/OMH monthly. Plan to focus articles more on healthcare field career pathways over the next year.

Goal 1 Objective 3, 2027 Status Update: (Added 2026) Not started

Goal 1 Objective 3, 2027 Status Update Description: Continue objective

Goal 1 Objective 4, 2027 Status Update: (Added 2026) Ongoing

Goal 1 Objective 4, 2027 Status Update Description: continue objective

Goal 2

Goal 2, 2027 Status Update: Ongoing

Goal 2, 2027 Status Update Description: New Hope Center reports "shelter stays have increased from 24 to 60 days over the past 10 years." Community reports overall a "housing crisis". Recent proposal to develop a community coalition to explore and address housing needs.

Goal 2 Objective 1, 2027 Status Update: Ongoing

Goal 2 Objective 1, 2027 Status Update Description: Affordable Housing Coalition is in early formation stages to begin addressing this issue.

Goal 2 Objective 2, 2027 Status Update: (Added 2026) Not started

Goal 2 Objective 2, 2027 Status Update Description: Tioga Opportunities, Tioga County Economic Development and Planning and TC Industrial Development Agency conducted a housing study in April 2018 which identified household trends, shift in workforce pool, shift in population, and growing financial burdens on homeowners. Continue this goal through the new coalition efforts.

Goal 3

Goal 3, 2027 Status Update: Ongoing

Goal 3, 2027 Status Update Description: Transportation remains limited to the public for essential services. Opioid settlement funding was awarded in 2025 to provide transportation for individuals struggling with substance use. Localized medical transportation is available to Medicaid recipients only. Tioga opportunities offer limited volunteer (call ahead) transportation to recipients over 60 years of age with needs to access groceries, laundry, etc. Overall public transport for all remains a high need.

Goal 4

Goal 4, 2027 Status Update: Ongoing

Goal 4, 2027 Status Update Description: Home Based Crisis Intervention Services was awarded a 5-year grant in 2025 to develop a system to provide crisis intervention services for OPWDD.

Goal 5

Goal 5, 2027 Status Update: Ongoing

Goal 5, 2027 Status Update Description: TC TAM team has connected with schools regarding targeted violence prevention and actively monitors cases in several area districts. New Hope Center is working with DSS through Child Advocacy Center and Safe Harbour to increase prevention efforts in schools related to domestic violence and abuse prevention. Public Health is working through the TC Suicide Coalition to reconnect with school districts on suicide prevention efforts for youth. HeaHea held 7 events in the month of May and met with 200+ parents related to individuals struggling with both eating disorders and substance use as a prevention effort.

Goal 5 Objective 1, 2027 Status Update: Ongoing

Goal 5 Objective 1, 2027 Status Update Description: Currently there are two OASAS prevention providers CASA-Trinity is contracted to provide OASAS prevention in schools - they are expanding services to k-12 and opening availability to other interested districts. Currently they serve Waverly, and Spencer VanEtten and are hoping to expand to Tioga Center. TST BOCES services Candor Schools in Tioga and reported schools are opting to pay for prevention services for their students that are no longer support by OASAS as "Evidenced Based". Districts are asking for one-to-one support and lunch groups. Advocate for OASAS flexibility with funding to reach more students.

Goal 5 Objective 2, 2027 Status Update: (Added 2026) Ongoing

Goal 5 Objective 2, 2027 Status Update Description: Tioga County ASAP and Tioga County Sheriff's Office partnered to conduct compliance checks on two occasions. All shops/stores were in compliance on both occasions. Follow up was conducted to all businesses to notify the managers/owners that they were in compliance during the compliance checks.

Goal 5 Objective 3, 2027 Status Update: (Added 2026) Ongoing

Goal 5 Objective 3, 2027 Status Update Description: Tioga County ASAP hosted 6 Free Family Movie Screenings in the summer of 2025 to promote sober family fun activities. In addition, the coalition also provided Family 4 Packs to the Tioga County Fair to 18 families in Tioga County.

Goal 6 Objective 1, 2027 Status Update Description: HeaHea opened PHP and IOP program in Tioga County. They are able to provide residential treatment however due to the barriers/ lack of insurance reimbursement they struggle to sustain this service. They continue to negotiate appropriate rates for PHP to make this service sustainable, but rates are too low. Medicaid/Fidelis is the insurance for the majority of residents in Tioga County. They continue to advocate for increase funding or increase in the amount reimbursed by insurance companies in order to continue providing this valuable service.

Goal 7

Goal 7, 2027 Status Update: Ongoing

Goal 7, 2027 Status Update Description: continue objective

Goal 8

Goal 8, 2027 Status Update Description: Many providers are providing social and recreational opportunities for OPWDD individuals and caregivers including FSS, Action Club, Movement as Medicine, Racker - who also now has a grant to provide these services, Catholic Charities and Life Plan.
