Goals and Objectives 2024-2027 Schenectady County Office of Community Services

Margaret Coker, Behavioral Health Administrator
(margaret.coker@schenectadycountyny.gov)

Goal 1

Goal 1: Title GOAL # 1. Schenectady County will increase the number of available and affordable apartments for the Behavioral Health System

Goal 1: Target Completion Date Dec 31, 2024

Goal 1: Description According to the 2023 Rental Housing Market in Schenectady, the average monthly rent for a single apartment is \$1,279. The year-to-year change is up 6.7%. Within the Mental Health System this has caused a dearth of affordable apartments leaving programs struggling to meet their budgets. For a person on SSI, the average income is \$914 per month, and for those on SSD and/or who have part-time employment the income could be up to \$2,000 per month. Usually, rents are often higher than the fair market value. In that case agencies need to use their program funds to supplement the cost.

Goal 1, Objective 2: Title Housing

Goal 1, Objective 2, Target Completion Date Dec 31, 2024

RFPs have yet to be issued, thus the number of beds cannot be determined at this time.

Goal 1, Objective 4: Title Housing

Goal 1, Objective 4, Target Completion Date Dec 31, 2024

Goal 1, Objective 4, Description 100% of available RFPs relevant to the population served by OCS that will fund housing initiatives or increase the availability of affordable apartments will be forwarded to those housing providers that require such funding and encourage such agencies to apply for said RFP.

Goal 2, Objective 2: Title Workforce

Goal 2, Objective 2, Target Completion Date Dec 31, 2024

Goal 2, Objective 2, Description The Office of Community Services will continue to inquire about what efforts are being implemented to recruit and retain staff successfully in their agencies and share this information with other agencies throughout 2024. Goal 2, Objective 3: Title Workforce

Goal 2, Objective 3, Target Completion Date Dec 31, 2024

Goal 2, Objective 3, Description The Office of Community Services will advocate for funding from Governor Hochul's budget that calls to improve mental health services across the state, including staffing opportunities and a 4% COLA increase, and will distribute all appropriate RFPs to our agencies to this end.

Goal 3

Goal 3: Title Crisis Services

Goal 3: Target Completion Date Dec 31, 2024

Goal 3: Description Goal #3. Schenectady County will work with agencies that provide crisis services and assist with improving outcomes.

Goal 3: OASAS? Yes Goal 3: OMH? Yes Goal 3: OPWDD? Yes

Goal 3: Need Addressed 1 Crisis Services

Goal 3: Need Addressed 2

Goal 3: Need Addressed 3

Goal 3, Objective 1: Title Crisis Services

Goal 3, Objective 1, Target Completion Date Dec 31, 2024

Goal 3, Objective 1, Description While Schenectady County has had Mobile Crisis services through Northern Rivers for the past few years, the initial plan to develop this service resulted in creating a Regional service covering 5 counties in the Capital Region. Due to this, the response time is not always able handle the immediate needs for crisis management. The Office of Community Services will advocate to have separate units in each county through its monthly meetings with the HRFO.

Goal 3, Objective 2: Title Crisis Services

Goal 3, Objective 2, Target Completion Date Dec 31, 2024

Goal 3, Objective 2, Description OCS will also ask the CLMHD to put this issue on their legislative docket to advocate for improved crisis services through the Legislature in 2024.

Goal 3, Objective 3: Title Crisis Services

Goal 3, Objective 3, Target Completion Date Dec 31, 2024

Goal 3, Objective 3, Description OCS has developed a working relationship with the Schenectady Police Department, as well as participating in CIT to improve police interactions with persons with a mental illness or substance use disorder. Positive interactions and outcomes will be documented throughout 2024.

Goal 3, Objective 4: Title Crisis Services

Goal 3, Objective 4, Target Completion Date Dec 31, 2024

Goal 3, Objective 4, Description Due to the lack of staffing and the closure of inpatient beds, the Crisis Unit at Ellis Medicine has been overwhelmed with persons presenting themselves to the ED, and subsequently to the Crisis Unit. Often there is no room in the unit to hold people, so if they are stabilized even for a short period of time, they will be discharged. Similarly, because of bed closures, the crisis unit is then not able to transfer persons to the inpatient units. Staffing shortages and worsening mental health conditions in the community exacerbate this issue. In 2024 Governor Hochul's plan is to monitor and enforce agreements with Article 28 hospitals to open beds as outlined in their operating certificates. There have also been many discharges from the Crisis Unit when it is believed that the discharge is not appropriate. OCS will monitor Crisis discharges and perform quality assurance reviews on appropriate cases.

Goal 4

Goal 4: Title Cross Systems Services

Goal 4: Target Completion Date Dec 31, 2024

Goal 4: Description The Office of Community Services will look for opportunities designed to improve cross systems services.

Goal 4: OASAS? Yes Goal 4: OMH? Yes Goal 4: OPWDD? Yes

Goal 4: Need Addressed 1 Cross System Services

Goal 4: Need Addressed 2

Goal 4: Need Addressed 3

Goal 4, Objective 1: Title Cross Systems Services

Goal 4, Objective 1, Target Completion Date Dec 31, 2024

Goal 4, Objective 1, Description High need high acuity clients who are dually or triply diagnosed across systems often do not get their needs met and fall through the cracks as individual systems do not take ownership for their care and cross systems collaborations do not always work due to the belief that the individual is in the wrong system. Schenectady OCS will advocate with the CLMHD to close these system gaps and encourage the development of services for these individuals with complex care needs.

Goal 4, Objective 2: Title Cross Systems Services

Goal 4, Objective 2, Target Completion Date Dec 31, 2024

Goal 4, Objective 2, Description The Office of Community Service will assist in facilitating solutions on a case-by- case basis and directly include and appeal to OASAS, OMH and OPWDD to successfully resolve such conflicts as they arise throughout 2024.

Goal 4, Objective 3: Title Crisis Services

Goal 4, Objective 3, Target Completion Date

Goal 4, Objective 3, Description Schenectady County has always had excellent collaboration with non-profit agencies. OCS will continue to include all mental health and substance use agencies through established meetings to continue to work together and problem solve any issues that arise in the community.
