Current Openings at : **ACCESSCNY**

1. Youth Specialist 1:

Provide person centered services and supports to children and their family during Children's HCBS and OPWDD services to achieve increased independence and maintain their health and safety. May be providing support to children with significant mental health and/or behavioral needs. Promoting growth and independence with personal needs and ADLs, implementing behavioral support plans, monitoring health and safety, building advocacy, decision making and community connections, and completion of required documentation.

As an YS1, you would:

- Implement goals, as written within the individual's plan
- Assist/Support the child with daily living skills (bathing, dressing, toileting as needed)
- Promote independence in various areas of life including behavior, self-regulation, building relationships, socialization and health/safety.
- Transporting and accompanying children to activities of their choice
- Implement safeguards per the individualized plan
- Obtain/maintain CPR/FA certification and other necessary trainings/certifications
- Utilize a pro-active approach to any/all crisis or de-escalation situations
- Complete required service documentation within a timely-manner
- Collaborate within a team, including the family, child and other program staff
- Participate in agency-wide events, advocacy and/or community educating

Required Education/Experience:

High school diploma/GED required. Prior experience working with children with DD/ABI and/or a mental health diagnosis or behavioral needs is preferred. Good written/verbal communication is required as well as demonstrating teamwork and professionalism. Basic word processing and e-mail skills required.

Current Openings at: **LIBERTY RESOURCES**

1. Peer Support Specialist

About Us:

Liberty Resources is a dynamic human services agency and a great place to work! Working for Liberty Resources means you'll have access to great career opportunities, benefits and a fun atmosphere. Our employees have passion around our values of excellence, integrity, diversity, self-determination, service, innovation and fiscal responsibility. Our rapid growth is providing exciting opportunities in all areas of our organization.

Position Summary:

Liberty Resources is in search of a leader for an exciting new initiative to provide opportunities to engage traditionally disconnected adults and families through access to an integrated set of disciplines via a drop-in center. Medical, behavioral health, wellness, social and nutritional services come together to harness collective capabilities and dynamic synergies and foster a holistic, integrated model of care.

The Peer Support Specialist will provide mentoring, guidance, health and wellness coaching to participants of the drop-in center. The role is very person centered, providing a variety of strategies to engage, assist and positively impact individuals. The position provides expertise in crisis intervention, assistance with home/life skills, advocacy, education and recovery support.

Qualifications:

- Experience in a behavioral health or related setting, preferably using the recovery model with one to two years of personal recovery experience preferred.
- Personal experience as a recipient of mental health services with a willingness to share personal, practical experience, knowledge, and first-hand insight to benefit program participants is essential.
- Certification by the Office of Mental Health (OMH) or Office of Alcoholism and Substance Abuse Services (OASAS) or willingness to complete the certification process within six months of employment is a requirement.
- Minimum of high school diploma or equivalent (GED).
- Respect for and high level of comfort around people experiencing psychiatric crisis and the ability to utilize critical thinking, problem-solving and de-escalation skills to assist with creating and maintaining an environment that promotes recovery.
- Must have a valid New York State driver's license and access to reliable transportation.
